

Hawaii Hypnosis Center is conveniently located near the Ala Moana Shopping Center, Don Quijote and Walmart/Sam's Club in Honolulu. We are in the [Tropical Building at 765 Amana Street](#).

If you are coming from outside the Downtown/Waikiki area, take the H1 exit at Punahou, go one block toward the ocean and turn right on S. Beretania Street. Take the second left turn at Keeaumoku Street. Proceed to Kanunu Street (across from Walmart parking garage entrance) and turn left. Amana Street is the first right and the Tropical Building is mid-block on the left.

PARKING options:

- Space #8 on the ground floor of the building is for our customers. If our white Toyota Rav4 is in the space, you may park behind us. If we walked to work and the space is empty, you can park in the space but don't pull all the way in (someone might park behind you).
- There are 4 visitor parking spaces along the yellow curb in front of the main entrance. These spaces are marked as "1 1/2 hour visitor parking" and our clients may use them if Space #8 is full.
- You can generally find meter parking on Amana Street and along Makaloa Street. Meters are 75-cents per hour. You can also park at Don Quijote, Walmart, or Ala Moana and walk to our office.
- SATURDAY CLIENTS: You may park in any numbered, non-handicapped space under the building as they are not enforced on the weekend. If you park in a tandem space, don't pull through or someone might park behind you and go off to church or a long appointment somewhere else.
